CRISIS IN AFFAIRS OF THE WORLD

(By Associated Press.)
PARIS (Tuesday), March 11.—"We have reached a crisis in the affairs of the world," said Secretary Lansing at a banquet tonight by the International Press club in honor of the American peace commissioners. Mr. Lansing was emphatic in his statement that the allies must feed Germany and give Germany an opportunity to sell its products in foreign markets, if the danger of Bolshevism is to be avoided.

RIOTING GENERAL IN GERMAN TOWNS

(By Associated Press.)
LONDON, March 12.—Riots occurred in various German towns outside of Berlin. A Spartacist revolt has broken out in Hamburg. Riots are said to have resulted from the general strike supported by the Spartacists.

(By Associated Press.)
BERLIN (Tuesday), March 11.—The Spartacists have opened negotiations to surrender to the government forces, according to reports in circulation here this afternoon.

ARMED BROKER HOLDS A POSSE OF FIFTY AT BAY

(By Associated Press.)
CHICAGO, March 12.—For many hours last night George Ontonick, a broker, held at bay 50 policemen, wounding two and one civilian. When his ammunition was about gone Ontonick turned a rifle on himself and was found dying. He was brought on a charge of cruelty perpetrated by his wife.

BRITISH GRAB GERMAN CABLES

(By Associated Press.)
PARIS, March 12.—Realizing the possibility of a virtual monopoly of the cable company by Britain should her claim to the captured German cables be sustained with consequent submission of great foreign business interests of the United States to alien control, the American delegates to the peace conference are endeavoring to make a strong representation of their case before the legal authorities to whom the subject was referred.

INJUNCTION BILL REPORTED O. K.

(By Associated Press.)
SACRAMENTO, March 12.—The senate labor and capital committee reported favorably today on injunction bill introduced by Senator Fletcher. The measure is practically the same bill which passed the legislature two years ago and was vetoed later by Governor Stephens.

CLEMENCY FOR ARMY PRISONERS

(By Associated Press.)
LEAVENWORTH, March 12.—Men confined in federal prison for violation of the espionage law and military offenses received clemency from the department of justice and the war department today. In some instances immediate discharges were granted and in a majority of cases commutation of sentences were ordered, the acting warden said.

FUEL ADDS SPEED FOR MOTOR RACING

(By Associated Press.)
WASHINGTON, March 12.—Development too late for use in the war of a motor fuel which adds ten miles an hour to the speed of airplanes has possibilities for use in motor racing announced the bureau of mines. The liquid is a combination of benzol and cyclohexane called sec tar and costs about a dollar a gallon so, while of military value, it is not regarded as practical for commercial purposes at present.

HIGH FENCE HIDES HER NICE SHINS

(By Associated Press.)
NEW YORK, March 12.—Because Mrs. Betty Inch was too generous in the display of her ankles to jurymen who failed a month ago to agree on a verdict at her trial on a charge of extortion, she found the witness stand surrounded by a four-foot high fence when she appeared today in the supreme court for a second hearing of her case. Though the court and prosecutor professed ignorance for the reason for the erection of the barrier court attendants related the statement of the latter when the jury disagreed that "Mrs. Inch must not show her ankles to the jury at the next trial," else he would reach the court to make her "look handsome."

CHILE MUST GIVE HUN SHIPS TO U S

(By Associated Press.)
SANTIAGO, Chile, March 12.—The Chilean government has received a report that the allied war council in Paris has decided that German ships interned in Chile be delivered to the United States government awaiting shipment from the United States for delivery.

(By Associated Press.)
BUENOS AIRES, March 12.—According to a dispatch to the Nacion from Santiago the United States will take over 100 German ships interned in Chilean ports.

HASBROUCK SHOWS UP SOME SPEED

Early reports from the east this morning, stated the attention of traders was wrapped up in the fluctuations and that the mines were playing low in the orchestra. The local talent looked for a dull day and was surprised when San Francisco opened strong with a steady growth of orders and an equally steady gain in prices. The Divide claimed lively interest with a strong demand for Divide Ex which sent that stock to 23 on a buyer at the morning session with a sale at 24 in the afternoon. Hasbrouck began to show speed for the first time this year and a lively demand was filled at 24 and 25. Dividend was strong on reports that the company had opened the ledge in the shaft where sinking had been resumed. Gold Zone was one of the choice favorites selling up to 36. Stronger Divide which was quoted yesterday weak at 65, although no orders could be filled at less than 70, sold up to 80. Divide Con. scored one more point advance, closing at 18; Ben Hur was steady at 14. Tonopah Divide opened in New York at 4.62 1/2 and sold up to \$4.85 in San Francisco at the morning call.

SHIP CARRIES YANKEES TO GATE OF NEW YORK AND TURNS BACK FOR BRITAIN WITHOUT LANDING MEN

(By Associated Press.)
HALIFAX, March 12.—Threats of 300 troops of the British army who enlisted in the United States, 81 of whom are American citizens, to sink the transport Tolosa unless immediately allowed to land and proceed to their destination in the United States by rail was reported today to the Canadian authorities by

the transport Tolosa unless immediately allowed to land and proceed to their destination in the United States by rail was reported today to the Canadian authorities by

Captain Jackson, commander of the transport.

The Tolosa, after debarking Canadian troops here, sailed for New York with the American bound contingent on March 10, but was ordered back to Halifax to coal for the return trip to England because of the outbreak of the harbor strike in New York. Captain Jackson told the authorities that the guns aboard his ship were at the mercy of the soldiers.

SHIPS OF THE WORLD MAY USE THE RHINE

(By Associated Press.)
PARIS, March 12.—Recommendation that navigation of the Rhine be opened to all nations without discrimination is made in a report to the peace conference today by the commission on international regulation of waterways and railway ports. It is suggested that the Rhine be controlled by a commission similar to the Danube commission. The status of the Kiel canal has been settled by the commission on the basis of freedom for the use of merchant vessels or warships in time of peace. The canal will continue its German ownership for operation. The report was not favorable in allowing the Belgian claim that special duties be imposed on German vessels.

(By Associated Press.)
ABOARD THE GEORGE WASHINGTON, March 12.—The president hopes to reach Brest in time to leave Thursday evening for Paris after a brief reception at the port. He expects to arrive in Paris Friday morning.

LAST VESTIGE OF NYE COUNTY DRAFT

L. E. Glass, county clerk, and his staff are busy closing up the draft business of the office in accordance with instructions from General Crowder's office. The records are in shape for shipping and the last vestige of the war will pass out of existence in Nye county on March 31, 1919, when it is ordered that every scrap of paper relating to the draft be shipped to Washington. Owing to conflicting orders from Washington the small force in the county clerk's office has been subjected to considerable useless labor. The first request was that all cases be filed in bundles of fifty each in their ordered number. After this had been done another order was received directing the clerk to unscramble the mass and restore them to the alphabetical order in which they were at first. The filing cases, both wood and steel, will be sent to Washington.
